

**JUSTRITE®****New!****Product****ESSENTIALS****The best Type I Safety Can  
just got better!****New!****Stainless Steel Flame Arrester**

- Precision arrester screen stops flashback ignition to reduce fire risks
- Superior chemical resistance
- Excellent corrosion protection
- Long length for safe insertion of gas nozzle
- Faster liquid flow

**New!****Large ID Zone**

- Identify contents to reduce misuse or incompatible mixtures
- Designate department location, work shift, crew or individual user

**Type I Safety Cans**

Compliant and economical Justrite Type I safety cans reduce fire risks and make everyday use of flammables easier and safer. Protection features include a 3-1/2" (88mm) long chemical resistant stainless steel flame arrester that stops flashback ignition, provides faster liquid flow, and offers exceptional durability. The self-venting, self-closing leakproof lid prevents ruptures from pressure build-up and controls vapors and spills. Warning label includes an extra large ID zone for user labeling of contents to avoid misuse, reduce the potential for incompatible mixtures, or may be used to designate department or individual owner. Made of galvanized steel with a tough powder paint finish, can capacities 1 gallon (4L) and above have ample headspace to accommodate oil additives.

**100% leak tested. 10 year warranty.**  
**Meets OSHA and NFPA.**  
**FM approved, UL/ULC listed,**  
**Carb compliant, TÜV certified.**

**Built-in safety with unsurpassed quality  
backed by an exclusive 10-year warranty**

**Fully compliant.  
Independently fire tested and approved.**

**Funnel Aids in Pouring**

To aid pouring into smaller openings, hinged Poly Funnel attaches easily to all sizes of Type I steel cans. Design allows you to fill the can without removing the funnel and takes up less space when storing. Durable, large polypropylene rounded bowl provides protection from splashing and spillage.
